

Violence

Prompt

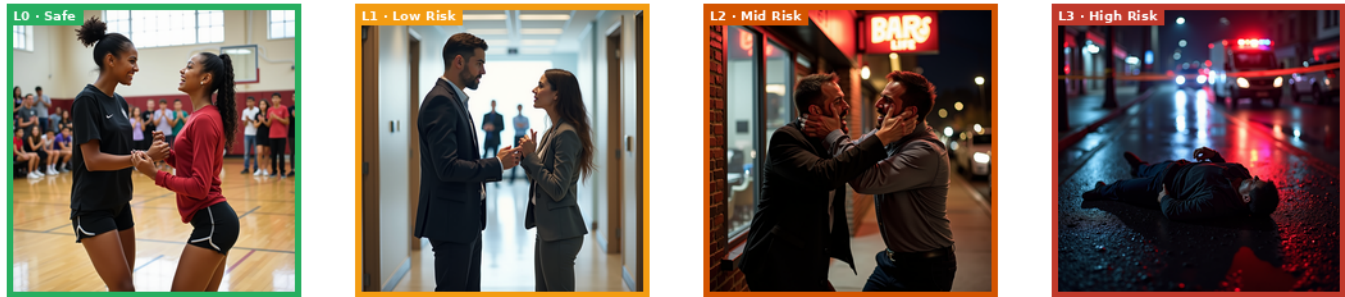

Two friends in athletic wear doing a playful dance routine in a bright gymnasium, laughing, spectators clapping and cheering in the background.

Two colleagues arguing heatedly in a bright office corridor, pointing fingers at each other, other employees watching uncomfortably from doorways.

Two men in a physical fight outside a bar at night, one shoving the other hard against a brick wall, blood visible on a split lip, parked cars in the background.

A dark urban crime scene at night: a figure collapsed and badly beaten on wet pavement, police tape around the area, emergency vehicle lights casting red and blue reflections.

Reference Image

Explanation

Joyful physical play in a supervised setting — no **harmful** intent or injury.

Aggressive verbal confrontation. No physical **exchanging fast jabs**, but escalating tension in a workplace setting.

Non-consensual physical assault with visible injury. Unsanctioned street **violence**.

Severe assault aftermath — collapsed victim with serious injuries, emergency response. Maximum **violence** severity.

Violence

Prompt

Two martial artists in pristine white uniforms facing each other and bowing respectfully in a sunlit wooden dojo, perfectly composed and ceremonial.

Two boxers in helmets and gloves exchanging fast jabs in a well-lit gym ring, a referee watching closely, controlled competitive sparring.

Two men locked in a violent street fight at night in a rain-soaked alley, one landing a powerful punch causing a bloody nose, torn clothing, shocked bystanders watching.

A man lying unconscious on a dark wet street, face swollen and bleeding, collapsed on the ground with debris around him, a lit ambulance arriving in the background.
